

World Affairs Council of Hilton Head
“Foreign Policy in a Time of Changing World Order”
Speaker Program 2017-2018

In almost every region of the world, challenges to the prevailing set of geo-political assumptions are in the air. Some may prove transient, while others may create the possibility of significant long-term changes in our basic thinking. Our distinguished speakers will provide expert insight and analysis into many of the most compelling examples of this global trend.
