

## FALL FORUM 2021

The World Affairs Council of Hilton Head's annual Fall Forum is built around the ideas from the book: **Ten Lessons for a Post-Pandemic World** by Fareed Zakaria.

Lenin once said, “There are decades when nothing happens and weeks when decades happen.” This is one of those times when history has sped up. CNN host and best-selling author Fareed Zakaria helps readers to understand the nature of a post-pandemic world: the political, social, technological, and economic impacts that may take years to unfold.

In the form of ten straightforward “lessons,” covering topics from globalization and threat-preparedness to inequality and technological advancement, Zakaria creates a structure for readers to begin thinking beyond the immediate impacts of COVID-19. *Ten Lessons for a Post-Pandemic World* speaks to past, present, and future, and, while urgent and timely, is sure to become an enduring staple.

Fareed Rafiq Zakaria is an Indian American journalist, political commentator, and author. He is the host of CNN's Fareed Zakaria GPS and writes a weekly column for The Washington Post. He has been a columnist for Newsweek, editor of Newsweek International, and an editor at large of Time.
